

Elevator Maintenance

The American Embassy Nicosia intends to issue a Request for Quotation for full service elevator maintenance in order to maintain building elevators in a safe, reliable and efficient operating condition. The magnitude of these services is estimated to be between €10,000.00 and €17,000.00 per year. The anticipated performance is for a base period of twelve months and four one-year periods at the option of the Government. These requirements may change depending on funding availability.

Only companies with extensive experience in this field of work should apply.

Closing date and time for receipt of quotations is January 31, 2013 at 12:00 hours.

Interested companies should contact the Procurement Office tel. 22-393381, 22-393574, or e-mail to NicosiaContracting@state.gov to request additional information.
